

## ProgRama Inc. Bentley installation help:

5/29/08

Air suspension control unit located in the trunk at the right side next to the battery (product number is 3W5 907 553 A).

Wiring diagram is the same as for Audi but you need to swap the left and right side of the sensor wires at the ECU side.

82 (Yellow/Magenta) **Left Front** goes to Lowering module's **Pink** cable

83 (Yellow/Blue) **Right Front** goes to Lowering module's **Gray/Black** cable

90 (Yellow/Black) **Left Rear** goes to Lowering module's **Blue/Red** cable

91 (Yellow/Green) **Right Rear** goes to Lowering module's **Blue** cable
